

27 March 1950

MATTERS PENDING IN COAPS/CIA

(Outside CIA)

Situation Reports: Being studied in CIA as a result of new NIS Priority List and new Rate of Production, received 21 March in answer to CIA's 1 December inquiry.

Briefing of Service Attaches: CIA memorandum 16 February - Army disagrees with one word.

Conferences with U. S. Government Officials Returning from Abroad:
CIA memorandum 16 February - State suggests certain rewording.
Army disagrees.

Request for Consolidated Translation Survey: Circular to participating IAC members 2 March. Navy approves for use by only [] military agencies and Foreign Ministry (not for industrial or trade organizations). State has no objections.

Proposed Watch Committee: Circular to participating IAC members 6 March. Navy disagrees with procedures.

Proposed Permanent Committee on Soviet Capabilities and Intentions:
Circular to participating IAC members 3 March 1950. State approves. Navy questions need for such formalization into a Committee because it is almost the all-embracing work of the entire intelligence organizations.

Status Reports of Intelligence Production: Proposed Interagency Operating Procedure circulated 10 March to Standing Committee. Navy approves for major subjects.
